Introduction

Political Contributions Regime

On March 2, 2007 amendments to the *Members and Public Employees Disclosure Act (MPEDA)* were proclaimed in force. They are contained in S.N.S. 2007, c.1 and c.9, s. 29. These amendments contain four significant components:

(i) Public funding of recognized parties

The amendments to *MPEDA* set out the rules that define entitlement to public funding, provide the formula for the calculation of public funding levels and establish the timing of payments. Prior to this amendment, public funding was limited to partial reimbursement of candidate election expenses and a specific tariff for audit of candidate election expenses. Public funding was payable to the recognized parties under the amendments starting on January 1, 2007.

(ii) Contribution limits

The amendments to *MPEDA* established contribution limits for the first time in Nova Scotia. An eligible contributor may contribute a maximum of \$5,000 in each calendar year to each recognized party and all electoral district associations and candidates affiliated with that recognized party. One consequence of the contribution limit is that all entities of the political organization (recognized party, electoral district associations and candidates) are treated as one. The tracking of contributions on a cumulative basis across all entities of a political organization creates significant challenges for all recognized parties.

(iii) Contributor eligibility

The amendments to *MPEDA* placed restrictions on contributor eligibility for the first time in Nova Scotia. Only individuals ordinarily resident in Nova Scotia are eligible to contribute. A corporation may contribute provided the corporation is incorporated by an Act of the Legislature or is doing business in the Province and exempt from registration. A partnership registered under the *Partnerships and Business Names Registration Act* or a partnership doing business in the Province and exempt from registration may also contribute. A trade union or a labour organization representing workers in the Province may also make political contributions.

(iv) Audited financial statements

All recognized parties were required to publish audited financial statements as of the date the amendments came into force (March 2, 2007). Additionally, all recognized parties are now required to publish audited financial statements within 120 days of the end of their fiscal year.

The audited financial statements must include all moneys or funds held by or in trust for the party at the end of the fiscal year. All recognized parties published or issued two sets of audited financial statements in 2007, the first set for the 62 day period ended March 2, 2007, the second set for the 304 day period ended December 31, 2007.

At the time the amendments to *MPEDA* were proclaimed there were basic regulations in place. These regulations were cited as the *Political Contributions Disclosure Regulations*. In light of the new statutory requirements in *MPEDA* these regulations were inadequate and spoke to rules no longer in place. They did not include the detailed administrative rules that the new statutory framework dictates nor did they reflect the public's need for accountability and transparency in reporting by recipients of public funds. Elections Nova Scotia initiated the process of developing new regulations that would provide the rules necessary to fully implement *MPEDA* and provide a means by which all recognized parties, electoral district associations and candidates could demonstrate their compliance with *MPEDA* in an open, consistent and transparent manner. The new *Political Contributions Disclosure Regulations* were developed through a consultative process with the recognized parties. Should operational issues or deficiencies be identified as we acquire a better understanding of the political contributions regime, amendments to the regulations will be proposed.

During the development of the new regulations the complexity of the amendments to *MPEDA* became apparent as did the challenges that recognized parties, electoral district associations and candidates would face in order to understand and adhere to the new rules. Elections Nova Scotia appreciates these challenges and understands the nature of the political system in Nova Scotia, particularly its dependence on volunteers and fundraising at the electoral district association level. Elections Nova Scotia has developed a Compliance Assistance Program which has educational and financial components to enable recognized parties, electoral district associations and candidates to meet their new obligations as easily as possible without sacrificing the values of transparency and accountability to our citizenry.

The amended *Members and Public Employees Disclosure Act*, the new *Political Contributions Disclosure Regulations* and the Compliance Assistance Program together constitute Nova Scotia's political contributions regime. The Province has evolved from a state in which we had only a basic contributions disclosure requirement with minimal administrative rules enacted in 1991 to a multi-faceted and complex political contributions environment designed to serve the interests of all Nova Scotians.

The year 2007 has been a transitional year for all political entities and for Elections Nova Scotia. The machinery of politics does not adapt easily or quickly to legislative change with such far reaching impact. Although the amendments have been in force since March 2, 2007 the challenges and requirements resulting from the amendments have only become evident as the year

progressed. Likely the impact or consequences of the amendments were not fully understood nor was the importance of having detailed regulations to ensure effective implementation of statutory rules appreciated. The new regulations are not intended to complicate the lives of those involved in the political system unnecessarily but to enable them to understand the statutory rules so as to be able to meet their responsibilities and comply with the law.

Filings by Recognized Parties, Electoral District Associations and Candidates

All recognized parties, electoral district associations and candidates filed their required reports with the designated person. Reports included disclosure statements listing contributors whose annual contributions exceeded \$50 as required by section 14 of *MPEDA*, duplicates of all tax receipts issued as required by section 108 of the *Deduction Regulations* made under the *Income Tax Act* and a statement of contributions for which official tax receipts were issued under the *Elections Act*¹. All recognized parties filed audited financial statements for the period March 3, 2007 to December 31, 2007 required by subsection 21C(2) of *MPEDA* and made those audited financial statements available to the public through their web sites.

Elections Nova Scotia Review

The designated person reviewed the disclosure statements and other reports filed with the designated person by all recognized parties, electoral district associations and candidates (October 2, 2007 Cole Harbour-Eastern Passage By-election).

Under the *Political Contributions Disclosure Regulations* all recognized parties and candidates are required to have their disclosure statements audited. An electoral district association is only required to have their disclosure statement audited if contributions they received exceeded \$5,000 in a calendar year. The purpose of the audit requirement is to provide the public with reasonable assurance that the information contained in the disclosure statements is free from material error. All recognized parties and candidates provided an audit report with their disclosure statements.

The review of disclosure statements by the designated person included the verification of all corporate contributors with the Registry of Joint Stock Companies' database. Where a contributor could not be verified the recognized party was asked to confirm that the proper legal name of the corporation or society was provided. As a result of this review contributors were identified by their proper legal names and where an ineligible contributor was identified by a recognized party the contribution was returned.

1. Electoral district associations are not permitted to issue tax receipts.

A review of duplicate tax receipts submitted by recognized parties pursuant to section 108 of the *Deduction Regulations* made under the *Income Tax Act* was also undertaken. The review had two components: the comparison of tax receipt amounts with the summary of tax receipts provided on Form 605, *Recognized Party's Annual Statement of Tax Receipts for which Official Receipts have been Issued*, and a comparison of the name under which tax receipts were issued with the disclosure statement provided by the recognized party. Where the tax receipt amount exceeded the disclosure amount for any single contributor or the name on a tax receipt did not appear on the disclosure statement the recognized party was asked to provide an explanation. As a result of this review some inadvertent errors were addressed and corrections made where appropriate.

The designated person also tested compliance with the contribution limit. The disclosure statements of each recognized party, its electoral district associations and its candidate (Cole Harbour-Eastern Passage By-election) were consolidated and subtotaled by contributor. Each contributor's subtotal was reviewed against the \$5000 contribution limit. No instances of non-compliance were identified.

A review of each of the recognized parties audited financial statements was also undertaken by the designated person. The primary purpose of the review was to understand disclosed contributions in the context of all reported income. Each recognized party, with the exception of the Green Party of Nova Scotia ² was provided with a number of questions related to their audited financial statements. The review was followed by a meeting with representatives of each recognized party at which time the representatives were asked to provide answers to the questions and provide clarification in specific areas. At the time of this publication the Nova Scotia New Democratic Party and The Progressive Conservative Association of Nova Scotia had provided satisfactory responses to all questions posed by the designated person. The designated person has requested that the Nova Scotia Liberal Party provide additional documentation to support certain income categories contained in their audited financial statements as non-contributions income.

This is the first reporting year since the *MPEDA* amendments came into force and because new regulations were in draft only there was some debate over the applicability of certain rules. Transition to the new contributions regime will not be completed until the new *Political Contributions Disclosure Regulations* have been in place in advance of a full reporting year.

2. Being a new political party the audited financial statements of the Green Party of Nova Scotia were uncomplicated and did not warrant additional review.

2. Recognized Parties

Annually the official agent of every recognized party is required to file a Statement of Political Contributions disclosing the name and full residential or business address of each contributor whose contributions received by such official agent during the previous calendar year exceeded \$50 and the total amount of contributions by that contributor. Filing is with the "designated person" pursuant to section 14 of the *Members and Public Employees Disclosure Act (MPEDA)* and in accordance with the *Political Contributions Disclosure Regulations* made under *MPEDA*.

For purposes of the 2007 reporting period, January 1, 2007 to December 31, 2007, there were four recognized parties in the Province of Nova Scotia, namely, the Green Party of Nova Scotia, the Nova Scotia Liberal Party, the Nova Scotia New Democratic Party and the Progressive Conservative Association of Nova Scotia.

For the 2007 calendar year the official agent of each recognized party filed two statements of political contributions. The first statement disclosed political contributions received in the period January 1, 2007 to March 2, 2007. The amendments to the *MPEDA* effective March 2, 2007 do not apply to this reporting period. The second statement discloses political contributions for the period March 3, 2007 to December 31, 2007. The March 2, 2007 amendments to the *MPEDA*, specifically the amendments that established a \$5,000 limit on contributions and established rules governing contributor eligibility, do apply to this period.

The official agent of each recognized party also filed a summary of tax receipts entitled *Recognized Party's Annual Statement of Contributions for Which Official Tax Receipts Issued*. It is to be noted that the total amount for which tax receipts are issued do not correspond exactly with the total disclosed contributions since a tax receipt may or may not be issued for any contribution amount while disclosure is only required if the contributions by any contributor exceeds \$50.

6. Electoral District Associations

There are 52 electoral districts in Nova Scotia. From each one a single member is elected to represent the people of that district in the House of Assembly. In 2007 the Nova Scotia Liberal Party, the Nova Scotia New Democratic Party and The Progressive Conservative Association of Nova Scotia each had 52 electoral district associations. As of the date of publication, no electoral district associations of the Green Party of Nova Scotia had been registered in accordance with the *Elections Act* or the *Members and Public Employees Disclosure Act (MPEDA)*.

An electoral district association, with the endorsement of the leader of the recognized party, must register in the prescribed form with the Chief Electoral Officer. The information contained in the registration of an electoral district association must be confirmed annually pursuant to section 177C of the *Elections Act*. All 156 electoral district associations confirmed their registrations with the Chief Electoral Officer by filing the prescribed form, Form 612, *Annual Report of Electoral District Association*.

All 156 electoral district associations in Nova Scotia filed Form 4, *Electoral District Association's Annual Statement of Political Contributions* for the 2007 reporting period. The lesser amounts of contributions historically received by electoral district associations in comparison to the contributions received by recognized parties did not necessitate that electoral district associations report their political contributions in two separate periods (to distinguish contributions received prior to the March 2, 2007 amendments to the *MPEDA* from contributions received after the amendments).

8. Candidates

In the 2007 calendar there was no general election in the Province of Nova Scotia. The only electoral event was the Cole Harbour-Eastern Passage By-election held on October 2, 2007. Each of the four recognized parties had a candidate officially nominated in the by-election. No independent candidates stood for election.

The official agent of a candidate is required to file a statement of political contributions disclosing the name and residential or business address of each contributor whose contributions received by such official agent during the previous calendar year exceeded \$50 in total and the total amount of contributions by that contributor. Filing is with the "designated person" pursuant to section 14 of the *Members and Public Employees Disclosure Act (MPEDA)* and in accordance with the *Political Contributions Disclosure Regulations* made under the *Act*.

The official agents of all candidates in the Cole Harbour-Eastern Passage By-election filed statements of political contributions at the time they filed their election expense reports.

The official agent of a candidate under subclause 3(d)(i)(a) of the *Elections Act* may accept political contributions and must file a disclosure statement pursuant to section 14 of *MPEDA*. In the 2007 calendar year there were no individuals registered with the designated person as candidates under subclause 3(d)(i)(a) of the *Elections Act*.
